We are experts at shaping and implementing merger and acquisition and direct investment strategies for the emerging markets, especially those concerning Latin America and the U.S. Hispanic community.

We have strong relationships with government officials and business leaders, foreign and domestic.

We can add professional discipline to a corporate restructuring, money raising efforts, business plan development and business expansion.

We know how to work with all of the international multilateral financial institutions.

*When you are ready to consider the emerging markets
-and you will-
consider Muñoz Investment Banking Group. Your bridge to success.*
